FOR IMMEDIATE RELEASE

50 APPROVED AS CERTIFIED PUBLIC ACCOUNTANTS

Raleigh, North Carolina—On September 18, 2006, the North Carolina State Board of Certified Public Accountant Examiners approved 50 applicants (see attached list) for licensure as Certified Public Accountants (CPAs) in the State of North Carolina.

Applicants for licensure are required to pass the Uniform CPA Examination and satisfy the education, work experience, and moral character requirements of the Board. A CPA certified to practice in North Carolina must annually renew his or her license and complete at least 40 hours of Continuing Professional Education (CPE), including two or four hours of ethics. North Carolina has approximately 17,000 actively licensed CPAs.

Established by Chapter 93 of the North Carolina General Statutes, the State Board of CPA Examiners is an occupational licensing board that grants certificates of qualification as CPAs to those individuals who meet the legal requirements. The Board also adopts and enforces the rules of professional ethics and conduct to be observed by CPAs in this State.
